

CAPABILITY STATEMENT

Harbor Enterprises LLC is a Native-American owned *SBA 8(a) and Hubzone certified firm* specializing in providing a range of prefabricated steel structures, modular solutions, storm shelters, and emergency preparedness support services to the federal government. Our proven approach to project management enables us to meet and exceed contractual requirements on a consistent basis, which has led to our superior past performance ratings on projects executed to date. We look forward to supporting your organization under the following core competencies:

COMPANY SERVICES

VALUE PROPOSITION

Results-oriented small business that leverages new technologies and efficient processes to deliver manufacturing projects on time, on budget and in accordance with applicable quality metrics.

Our geographic footprint across several states allows us to quickly respond to clients' needs and our broad scope of past projects allow us to meet a variety of our client needs.

Our risk management policies enable us to proactively identify issues or problems before they negatively impact our contract performance.
